

LOTUS ADAPT

Therapy Mat Table

The Mat Therapy Tables are very similar to the Bobath models in terms of specification, but without the backrest facility.

The single section top design provides a large and stable variable height support surface for a wide range of exercises.

Standard Features

- Safe working load and lifting capacity of 250Kg (550lbs)
- Choice of widths available 105cm, 125cm or 150cm
- Choice of hydraulic or electric height elevation on 105cm and 125cm models
- Excellent electric height range from 46cm to 100cm
- Retractable wheel design and adjustable foot for stability on uneven floors
- Purpose made precision bearings on all pivot points
- Clearance beneath frame for mobile hoist
- Hand switch fitted as standard
- Bariatric models with a safe working load of 325Kg are available upon request
- Choice of Standard or Standard+ upholstery colours

Optional Accessories

- Battery Back-Up
- Single Foot Switch
- Perimeter Foot Switch
- Side Support Rails
- Side Support Rail Cushions

Electric model shown in Light Grey with optional Side Support Rails and Cushions

Hydraulic model shown in Sky Blue
